Treasurer

Mr. R. MADHAVAN
Deputy Manager
Indian Additives Ltd
Chennai - 600068

Greetings to all Members,

Message from Secretary's Desk

It gives me immense pleasure in reaching you all through this MIA News letter once again.

In the last couple of months, MIA Members actively participated in various forums/programs making the association active.

I wish to express my profound thanks to The Management of CPCL for organizing an Off site mock drill at Manali. The scenario was basically a LPG fire from CPCL affecting the local community. MIA Members actively participated making the program a grand success. I am sure such exercises will go a long way in our preparedness for meeting emergencies.

On behalf of the member Industries repeated appeals were made with the CMWSSB authorities which resulted in CMWSSB lowering the rate of TTRO water made available to member Industries. We expect the water to start flowing soon.

MIA members actively participated in PCRA program conducted at KPL, Green Energy work shop at MFL and two days Regional conference on Safety Management jointly organized by DGFASLI / FICCI / DISH-TN in Chennai.

More activities are planned commemorating World Environment Day.

Best Wishes

P.S. Vekaraghavan

Secretary, Manali Industries Association

Sr. GM, Supreme Petrochem Ltd

MIA - Annual General Body Meeting

The Annual General Body (AGM) Meeting of Manali Industries Association was held on 19.12.2018 at GRT Grand Hotel.

COMING TOGETHER IS A
BEGINNING.
KEEPING TOGETHER IS
PROGRESS.
WORKING TOGETHER IS
SUCCESS.

**Safety
Day
Celebration
at CPCL**

48th National Safety Day was celebrated on 04.03.19 at CPCL's Manali Refinery.

Thiru M.V.Senthil Kumar, Additional Director, Industrial Safety & Health, Govt. of Tamil Nadu was the Chief Guest for the function and delivered Key Note Address.

Thiru N. Sathyanarayanan, Joint Director, Industrial Safety & Health, Govt. of Tamil Nadu delivered Special Address.

Thiru G Aravindan, Director (Operations), CPCL presided over the function and delivered Presidential Address.

Chief guest released the Visitors Safety Film, Visitors Safety Guidelines Contractors Safety Film and Contractors Safety Pocket Guide. Also prizes were distributed to the

winners of various safety competitions.

Thiru R. Srikanthan Director (Technical) graced the occasion.

Thiru Tarlana Kamaraju, CGM (Logistics) administered the Safety pledge.

Thiru J.P.K. Hepat, DGM (F&S) presented the Safety Report.

LNG Terminal at Ennore Port

Indian Oil Corporation Limited has set up a terminal for storage and degasification of Liquid Natural Gas (LNG) at a cost of around Rs. 5150 Crore inside Kamaraj Port at Ennore.

Our Honorable Prime Minister Thiru Narendra Modi inaugurated the terminal on 06.03.2019.

Liquid Natural Gas (LNG) will be utilized as feed stock replacing Naptha for production of urea and utilized as a clean fuel and will be supplied to M/s. Chennai Petroleum Corporation Ltd, and all other industries in Manali area.

About LNG

LNG is predominantly Liquefied Methane. Natural Gas turns into Liquefied Natural Gas at -161°C. It is odourless, colourless, non toxic and non corrosive.

LNG produces less greenhouse gas and toxic emissions than liquid or solid fuels due to the clean complete burning of fuel.

LNG is the cleanest burning fossil fuel. Clean burning nature of LNG means less maintenance and repairs & a lower equipment replacement cost over the years.

Workshop on Green Energy Technology

MFL Conducted Two-day workshop on Green Energy Technology, for Manali/North Chennai Industries, in association with CSIR – CSIO on 6th and 7th Feb 2019.

Conveners are Prof. Kota Srinivas, Chief Scientist, Prof. G.S. Ayyappan, Principal Scientist, CSIR - CSIO, Mr. T. Vanniaperumal, DGM - Production, Mr.B. Suresh, Chief Manager, Production, Dr.B. K. Satish Kumar, Energy Manager, Madras Fertilizers Limited.

MIA members participated in big numbers and made the event a success.

Safety Day Celebration at TPL

National safety day was celebrated at TPL plant on 04.03.2019 with a great enthusiasm.

Safety flag was hoisted by Mr. D. Senthikumar, WTD - Operation and followed by safety pledge taken by employees and contractors.

Mr. K. T. Vijayagopal, WTD - Finance, presided over the function.

Best contractor awards were given to the contractors for their best safety practices.

Safety competition were conducted and prizes were distributed to winners of the safety competition.

Renewable Energy

Solar Energy related interaction session with M/s Fourth Partner Energy conducted at Supreme Petrochem Ltd, on 30.01.2019.

The Health Benefit of Laughter

Humor and laughter strengthen our immune system, boost our energy, diminish pain, and protect us from the damaging effects of stress.

Smiling is the beginning of laughter.

A genuine inexpensive smile from a person's innermost soul will keep him happy and healthy

- ◆ Laughter is a Stress Buster.
- ◆ Laughter is one of the finest and easiest to practice anti-stress measures.
- ◆ Laughter is one of the best muscle relaxants.
- ◆ Laughter expands blood vessels and sends more blood to the extremities and other muscles all over the body.
- ◆ Laughter Strengthens the Immune System.
- ◆ Laughter is the Best Aerobic Exercise.
- ◆ Laughter in Depression, Anxiety and Psychosomatic disorders.
- ◆ Laughter is a Natural Pain Killer.
- ◆ Laughter Alleviates Bronchitis and Asthma.
- ◆ Laughter is Internal Jogging.
- ◆ Laughter Makes You Look Younger.
- ◆ Laughter helps Inter personal Relationships.
